OUR PROVEN WORKFLOW

DISCOVERY & ASSESSMENT

- We understand the client's business structure, income streams, and financial processes through a free consultation process.

SYSTEM SETUP & ORGANIZATION

- We set up a bookkeeping system in QuickBooks Online or Xero along with a WhatsApp group to streamline communication & enhance our relationship with clients.

ONGOING BOOKKEEPING MANAGEMENT

- Chart of accounts is updated & transactions are recorded consistently and accurately with continuous monitoring.

FINANCIAL REPORTS

- Clients receive clear monthly reports showing income, expenses, profit, and cash flow for effective tax planning & decision-making.

CONTINUOUS SUPPORT & OPTIMIZATION

- We refine processes, answer financial questions, and support informed decision-making.
- This structured workflow ensures accuracy, consistency, and actionable financial visibility.
